Thanks all for coming and hope you all enjoyed yourselves.

A big thankyou to those who helped, be it with the training or with collecting controls

Whilst Annemieke ran most of the green collecting controls and

most of the other courses shadowing

she did not complete a course so a special thanks to you.

The results above are for the colour coded courses only and not the training courses.

We had over 30 people attend most novices.

Well done to Angela for being quickest on the Green, Tom on Orange and Jasmine on Yellow.

See you all on the 13th October near Castle Coch.
