*£1 discount is available when the fee is paid by direct debit. Family¹ – 2 persons required (1 adult min, 2 adults max).

Fees

Club fee: This incorporates both the SWOC (South Wales Orienteering Club) and WOA (Welsh Orienteering Association) membership fee.

Newcomers are defined as those who have not been a member of any orienteering club and/or BOF in the last 3 years (claimable once only). For new members joining after 1st September, their membership fee covers the 16-month period until the end of the following calendar year.

Students in full time education may join at the junior rate. Please enclose proof of status with your application.

SWOC / WOA Membership

SWOC & WOA membership is included in all membership categories. WOA membership is a prerequisite for participation in the annual Welsh Championships, and for eligibility to represent Wales in the annual Home International events. Members receive copies of the bi-monthly publications 'The Platform' and 'Y Ddraig' from SWOC (<http://www.swoc.org.uk/>) and WOA (<http://www.woa.org.uk/>) respectively.

Benefits of joining British Orienteering

See the accompanying sheet for a description of the [benefits of Local and National BOF membership](#).

Compass Sport

There is a bi-monthly magazine, 'CompassSport', Britain's National Orienteering Magazine, at a cost of £23. See <http://www.compassport.co.uk/>.

How to become a member

The easiest way to [join SWOC](#) is via the British Orienteering website <http://www.britishorienteering.org.uk/>. Due to a limitation with the current website, newcomers should complete the [paper form](#) in order to obtain the reduced fee. Also complete the [direct debit mandate](#) to obtain the £1 discount in future years.
